Those students who were absent or failed the test may take the test again in December (the exact date will be communicated in due time).

We would like to remind students that they cannot take exams until they have passed the English test or without having a valid English certificate that proves a B2 level of proficiency in English (see section 1 in the call for admission).

Students may ask to see the corrected tests. The dates and the place of the office hours will be communicated online on the Department's bulletin board.
