

## ENROLLMENT FOR ACADEMIC YEAR 2020-2021

Students who want to enroll in the Bachelor degree courses in:

- **Economia e Gestione Aziendale:**
  - degree course curriculum in Italian: Amministrazione e controllo and Gestione Aziendale
  - degree course curriculum in English: Business and Management
  
- **Economia Internazionale e Mercati Finanziari**
  - degree course curriculum in Italian: Economia Internazionale
  - degree course curriculum in English: Economics and Financial Markets

must take a **non-selective, compulsory, self-evaluation test**.

The testing format employed by the Dipartimento di Scienze Economiche, Aziendali, Matematiche e Statistiche is called the "Test On Line CISIA (Consorzio Interuniversitario Sistemi Integrati), specifically: **TOLC-E**" for degree courses taught in Italian and **ENGLISH TOLC-E** for degree courses taught in English.

Prospective students with disabilities and/or specific learning disabilities, who enroll in TOLC-E or in ENGLISH TOLC-E, have to fill in a special form requesting specific disability aid services established by law and send it to the University of Trieste at least 15 days before the test.

**For detailed information visit the following sites:**

**TOLC-E:** <https://www.cisiaonline.it/area-tematica-tolc-economia/home-tolc-economia/>

**ENGLISH TOLC-E:** <https://www.cisiaonline.it/area-tematica-english-tolc-economia/home-english-tolc-e/>

Due to the current COVID19 health emergency, expected to continue until August 2020, tests will be administered through **TOLC@CASA** (for information: <https://www.cisiaonline.it/area-tematica-tolc-cisia/cose-il-tolc/>).

Dates of the **TOLC@CASA** testing that will be administered for the University of Trieste in July and August are to be made known soon.

Students who wish to take the test in May and June can take part in **TOLC@CASA tests** that have been scheduled in other universities and that are publicized on the CISIA website; these testings are valid also for enrollment in the above-written degree courses run by the Dipartimento di Scienze Economiche, Aziendali, Matematiche e Statistiche di Trieste.

Test results shall be valid for the above-written degree courses run by the Department. After taking the test, students can enroll in the said degree courses by entering the dedicated website of the University of Trieste (<https://www.units.it/immatricolazioni>).

If the test score achieved is less than 9 points, students are allowed to enroll, but with an educational deficit (O.F.A: *obbligo formativo aggiuntivo*, namely additional learning requirements ).

TOLC tests taken as from January 1<sup>st</sup>, 2019 are valid for enrolling in the 2020/2021 academic year. At some time in the future, **TOLC-E** and **ENGLISH TOLC-E** tests may be planned to take place “on the spot” at the University of Trieste, alongside with the scheduled **TOLC@CASA**, depending upon ministerial decrees that will be issued.
