ENRICO VANINO

Associate Professor of Economics
Department of Economics, University of Sheffield

“KNOWLEDGE EXTERNALITIES IN INDUSTRIAL CLUSTERS”

introduces **Marco Giansoldati**, DiSPeS

Enrico Vanino is an Associate Professor (Senior Lecturer) at the School of Economics of the University of Sheffield. He is an empirical microeconomist focusing on issues related to urban and regional economics, the economics of innovation, international economics, and firms' productivity. He holds a PhD in economics from the University of Birmingham and he previously worked as a fellow in economic geography at the London School of Economics. Enrico is currently a British Academy Innovation Fellow at the ONS Survey and Economic Indicators division, and part of the Council of Experts of the Innovation and Research Caucus.
