# LANGUAGE SKILLS

The teaching language is Italian. Level B1 is recommended, but no certificate is required.

The Bachelor's programmes in Business and Management and in Economics and Financial Markets, as well as the second year of the Master's programme in ENVIRONMENTAL ECONOMICS, are taught in English.

At the beginning of every term, the University offers free Italian language courses for new arrivals.

The Italian Erasmus extra-curricular courses do not give the right to receive marks, but only credits, which are awarded to the student after he/she has passed the final test of the course. No credits will be awarded if the student does not take the final exam.

# STUDY AND BREAK ROOMS

**Looking for a place to study?  
Or a cosy corner to take a  
break?**

UniTs has many study rooms and some breakout rooms (the entire D building is dedicated to the Department of Economics, but students can study in any building on campus).

Information on how to access the canteens is available from the International Mobility Service.

# UNIVERSITY LIBRARIES

The **University Library System** also provides [study rooms](#) too.

You can **borrow** books and digital materials, and access databases.

Find out more about on [BiblioUniTS](#).

Check out also [Municipal](#) and [State](#) libraries!

# EXAMS: WHEN?

At DEAMS you have several opportunities (appelli) to take the final exam of each course:

- 3 appelli during the examination session of the semester in which the course is held;
- 2 during the examination session of the following term;
- 1 appello in September.

Check the academic calendar to find out when your exams are and check that they fall within your period of study in Trieste.

You can choose on which appello you want to take the exam, and if you fail you can retake the exam on another appello.

The same methods of marking will apply to all the appelli.

# EXAMS: HOW?

Exams must be taken in person.

To take an appello, you must register online.

Log on to <https://esse3.units.it/Home.do>;

1. Go to Menu > Esami > Prenotazione appelli;
2. All the *appelli* scheduled for your courses will appear. Please note that the dates are published at the end of the course.
3. If a blue book appears, you can click on it to open the appello page and register. If you see a red icon, you will have to wait for the applications to open.
